

IT'S THE SEASON TO BE JOLLY. HOW'S THAT GOING FOR YOUR CONGREGATION?

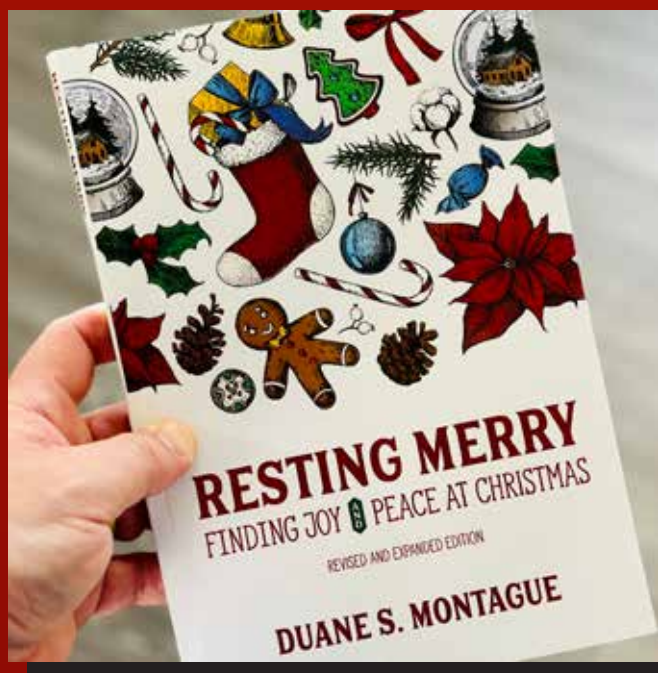

IN A WORLD WHERE EVEN CHRISTIANS STRUGGLE WITH FINDING JOY AND PEACE AT CHRISTMAS, IT'S TIME TO LEARN THE SECRET OF **RESTING MERRY**

The #1 Amazon Best-Seller by pastor, author, speaker, and artist Duane S. Montague has been shared by congregations and readers across the United States, touching thousands of lives as it's given away at conferences, used as small group curriculum, and read every year as a way of helping friends and family "rest merry" during Christmas--and beyond.

Churches like **THE CROSSING** in Las Vegas, **GENESIS CHURCH** in New York, **CHRIST CHURCH OF THE VALLEY** in Arizona have used **RESTING MERRY** to help inspire their congregations during the not-so-merry times we live in, allowing them to find joy and peace during the holidays.

Written in a warm, humorous, and heartfelt style, **RESTING MERRY** contains readings for each day of December, along with a few reflections for the days after Thanksgiving. Each reading is short, sweet, and simple--yet full of emotional and spiritual depth, bringing encouragement to readers, helping them rediscover what matters most as we celebrate our Savior's birth.
